« KING » COLLINS RETURNS TO ST.KITTS

ST. KITTS- New World Sprint Champion in the 100 metres Kim Collins returned to a rousing¹ welcome on Thursday, September 4, bringing virtually the entire country to a standstill².

Arriving on a chartered Carib Aviation flight from Antigua that touched down after 3pm, Collins was met by his family, government officials and a crowd of friends and well-wishers³.

Following the impressive ceremony at the airport, Kim left the airport in one of the largest motorcades⁴ in recent times via⁵ Collins highway to Basseterre Bay Road, where an even larger event was held. Tributes were paid to the young man and rewards were given to him by companies and individuals. Four Seasons Resort in Nevis gave him a complementary weekend stay for two, American Airlines donated two tickets to fly to any of its destination and, to crown it all⁶, Suzuki presented him a brand new Suzuki Vitara Jeep 2003 model with number plate P 1007, which was his winning time in the hundred metres event at the World Championships in France on August 25.

Kim's arrival was covered not only by the local press but by a TV station from Martinique and a press crew from France...
